

SANDEL® ERGOPLUS™ ANTI-FATIGUE MATS

STAFF & PATIENT ERGONOMICS

Premium mats to reduce stress and strain on the feet, legs and back

ErgoPlus anti-fatigue mats provide unmatched ergonomic comfort, reducing strain on the feet, legs and back during long procedures. Made from energy-return polyurethane foam, ErgoPlus anti-fatigue mats absorb the impact of standing while restoring energy.

KEY FEATURES & BENEFITS

- Bounce-back memory restores energy and reduces strain on the feet, legs and back
- Proven to reduce spinal compression and increase flexibility¹
- Premium padding for additional comfort
- Beveled edges help prevent tripping
- Ideal for the O.R., nurses stations, cath labs, IR labs
- Available in various sizes
- Bright orange and highly recognizable

SANDEL® Anticipate the Unexpected

Developed in collaboration with clinical professionals, SANDEL products are designed to address key high-risk areas in the healthcare environment. Our signature bright orange products help reduce the risk of preventable injuries, errors and infections. SANDEL products equip caregivers with solutions to do their job safely while improving patient outcomes.
